The Basics

- If you've never been to a Topgolf venue before, think of it as a modern golf experience where anyone – including people who have never picked up a golf club and those who want to perfect their swing – can participate in the sport in a relaxed, no-pressure environment.
- Once open, Topgolf New Braunfels will employ roughly 200 Playmakers.

It's Golf

- Topgolf New Braunfels will have 62 outdoor climate-controlled hitting bays spanning two levels. Each bay will have lounge-style furniture or high-top tables where groups can cheer – or heckle – the other Players.
- The venue will be equipped with surface targets and Topgolf's TracStar technology, which tracks each golf ball's flight path, distance and other vital metrics.

It's Not Golf

- Topgolf takes its "not golf" very seriously. What we mean: A full-service bar and restaurant managed by executive chef, a 216-square-foot video wall, more than 145 HD TVs, mixt golf, music and year-round family-friendly programming are just as much a part of the Topgolf experience.
- An outdoor area with paid games and the job will also offer the prime spot for team outings, family gatherings, business meetings or really anything Players are looking to celebrate.

What They Said

- **Topgolf Chief Development Officer Chris Callaway:** "I'm excited to officially announce that construction efforts are underway on our New Braunfels venue after two years of anticipation. We can't wait to welcome residents and visitors of New Braunfels to experience our unique style of play soon."
- **NewQuest President & Chief Development Officer Austin Akide:** "NewQuest is thrilled to welcome Topgolf to Cresskirk, our premier mixed-use destination in New Braunfels. Topgolf aligns perfectly with our vision for Cresskirk as a hub where the community can shop, dine, connect and have fun. We look forward to seeing the positive impact this will have on the surrounding community and are proud to partner with Topgolf in the future of Cresskirk."
