

Callaway Golf Announces Results for First Quarter 2006

CARLSBAD, Calif.--(BUSINESS WIRE)--April 26, 2006--Callaway Golf Company (NYSE:ELY) today announced its financial results for the first quarter ended March 31, 2006, reporting significant improvements in earnings over the same period a year ago. Highlights for the quarter include:

- Net sales of \$302.4 million, as compared to \$299.9 million for the same period in 2005.
- Fully diluted earnings per share of \$0.33 on 70.1 million shares, or growth of 22%, as compared to \$0.27 on 68.6 million shares in 2005.
- Fully diluted earnings per share include \$0.02 of after-tax charges for employee equity-based compensation associated with FAS 123R as well as \$0.01 for the integration of Top-Flite operations. The first quarter of 2005 included after-tax charges of \$0.03 for the integration of Top-Flite operations. Excluding these charges, the Company's pro forma fully diluted earnings per share for the first quarter of 2006 would have increased 20% to \$0.36, as compared to pro forma fully diluted earnings per share of \$0.30 for the first quarter of 2005.

"We are pleased with the initial consumer acceptance of our new products this year and the fact that we achieved the second highest first quarter sales level in the history of the Company," commented George Fellows, President and CEO. "Achieving this level of sales was significant because product launches in the first quarter of 2006 were timed later in the quarter as compared with product launches last year. We are even more pleased that we were able to leverage 1% growth in revenue to achieve 22% growth in fully diluted earnings per share," continued Mr. Fellows. "Our cost reduction and other initiatives permitted us to bring this substantial increase to our bottom line despite an additional 1.5 million shares in our base.

"Although we were particularly pleased with our results this quarter and remain optimistic about significant improvement in 2006 earnings compared to last year, our focus is on our longer term goals. We are right on track with those targets and we look forward to Callaway Golf's long term prospects and our continued leadership in the golf industry."
