

ESG DATA TABLE

INTRODUCTION

This ESG Data Table covers Topgolf Callaway Brands' fiscal year FY2023 from January 1, 2023 to December 31, 2023.

In previous ESG Data Tables, Topgolf metrics were reported separately unless otherwise noted. As we work toward standardized reporting practices, we now include certain metrics under Topgolf Callaway Brands' global operations where appropriate. To provide the most relevant metrics to our stakeholders and account for the different nature of the Topgolf business, some metrics remain separately reported. Franchises are not included in this report because they are independently run businesses. All costs and financial figures throughout the report are provided in U.S. Dollars, unless otherwise noted.

Topgolf Callaway Brands did not seek external assurance from third parties for the information in this report. The data presented in this ESG Data Table has been internally collected, reviewed, and validated for completeness and accuracy.

For any questions related to this ESG Data Table, please contact GlobalSustainability@tcbrands.com.
