

INVESTOR PRESENTATION
MAY 2018

Forward-looking Statements: During the presentation, any comments made about future performance, events, prospects or circumstances, including estimated 2018 net sales, gross margins, operating expenses, and earnings per share (including estimated tax rate and share count), future growth or profitability, the creation of shareholder value, future industry or market conditions, future reinvestment or capital deployment, the impact of the OGIO and TravisMathew acquisitions, and the estimated capital expenditures and depreciation and amortization expenses, are forward-looking statements, subject to the Safe Harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are often characterized by the use of words such as “estimate,” “expect,” “anticipate,” “project,” “plan,” “intend,” “seek,” “believe,” “forecast,” “foresee,” “likely,” “may,” “should,” “goal,” “target,” “might,” “will,” “could,” “predict,” “continue” and the negative or plural of these words and other comparable terminology. Such statements reflect our best judgment as of the time made based on then current market trends and conditions. Actual results could differ materially from those projected in the forward-looking statements as a result of certain risks and uncertainties applicable to the Company and its business. For details concerning these and other risks and uncertainties, you should consult our earnings release issued on April 26, 2018, as well as Part I, Item 1A of our most recent Form 10-K, together with the Company's other reports subsequently filed with the SEC from time to time. The Company undertakes no obligation to republish revised forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.

Regulation G: In addition, in order to assist you with period-over-period comparisons on a consistent and comparable basis, today's presentation includes certain non-GAAP information. This information, as applicable, excludes the non-recurring OGIO and TravisMathew deal-related expenses, the non-recurring impacts of the recent 2017 Tax Cuts and Jobs Act and other non-recurring tax adjustments, the second quarter 2016 gain from the sale of a small portion of the Company's Topgolf investment, and the reversal in 2016 of most of the Company's deferred tax valuation allowance. The Company also provides certain information excluding interest, taxes, depreciation and amortization expenses, as well as the Topgolf gain and the acquisition deal-related expenses. This non-GAAP information may include non-GAAP financial measures within the meaning of Regulation G. These non-GAAP measures should not be considered as a substitute for any measure derived in accordance with GAAP. The Company has provided a reconciliation of such non-GAAP financial measures to the most directly comparable financial measures prepared in accordance with GAAP. The reconciliations are included in this presentation.
