INFORMATION WE MAY COLLECT THROUGH THE SITES AND HOW WE COLLECT IT

We collect information from you directly, automatically when you visit the Sites, and sometimes from third parties. Some of this information may be considered "personal information" under various applicable laws. We consider information that identifies you as a specific, identified individual to be personal information (such as your name, phone number, email address), and we treat additional information, including IP addresses and cookie identifiers, as "personal information" where required by applicable law. And, if we combine information that we consider to be non-personal with personal information, we will treat that combined information as personal information under this Privacy Policy. Note that we may de-identify personal information so that it is non-personal, such as by aggregating it or converting it to a code, sometimes

using a function commonly known as a "hash". We will treat de-identified information as non-personal to the fullest extent allowed by applicable law.

Information You Provide to the Sites Directly

Topgolf Callaway Brands Corp. may ask you to provide information through or to the Sites when you interact with us, including contact information (such as your name, phone number, street address, and email address) and other information about you, such as demographic information (ZIP code, gender, income, and day and month of birth, for example), and information about your interests and preferences (such as information about your lifestyle or your golf game and your buying preferences). You may provide personal information, demographic data and other information through various forms and features on the Sites.

Information You Provided Through Market Research Surveys

We may, from time to time, invite you to participate in market research surveys. The types of information that we collect from you may vary based on the objective of the survey or research activity, but may include your email address and social media handle and your responses to survey questions or forms. Any information you provide by participating in our market research focus groups is entirely voluntary and you have no obligation to provide any personal information or to respond any questions or portion of the research activity.

Information We Collect Automatically As You Access and Use the Sites

In addition to any personal information or other information you choose to submit to the Sites, we, and our third-party business partners (including, without limitation, any third-party advertisers and content or analytics providers), may use a variety of technologies that automatically or passively collect certain information whenever you visit or interact with the Sites ("**Site Usage Information**"). This Site Usage Information may include the website browser or operating system you are using, the URL or advertisement that referred you to our Sites, the search terms you entered into a search engine that led you to our Sites, all of the areas within our Sites that you visit, and the time of day, the next website you visit after leaving our Sites, among other information. We may use this Site Usage Information for a variety of purposes, including, without limitation, enhancing or otherwise improving the Sites. Site Usage Information is generally non-identifying, but if we associate it with you as a specific and identifiable person, we treat it as personal information. As you use the Sites, we will also track videos you watch and how you interact with the content.

In addition, we automatically collect your IP address or other unique identifier ("Device Identifier") for your computer, mobile phone, or other device used to access the Sites. We may be able to collect or infer your approximate location

through information we collect, such as an IP address. A Device Identifier is a number that is automatically assigned to your device used to access the Sites, and our servers identify your device by its Device Identifier.

Tracking Technologies

We use certain tracking technologies to collect Site Usage Information and Device Identifiers when you use our Sites, including cookies, web beacons, and embedded scripts. We use these technologies for a variety of reasons, such as to allow us to better understand how you use the Sites and interact with us. For a detailed description of the ways in which we and third parties collect information automatically and how it is used, please see our **Ad and Cookie Policy**.

Location Data

We may collect specific information about your location from your device. This may include your precise location. We may collect this using different types of technologies, including GPS and Wi-Fi. You may be able to turn off the collection of location information through your device settings. However, please note that we may still be able to collect or infer your approximate location through other information we collect, such as IP address. In addition, some mobile service providers may also provide us or our third-party service providers with information regarding the physical location of the device used to access the Sites.

Information Third Parties Provide About You

We may receive information about you from third parties, including business partners and data providers. For example, if you are on another website and agree to receive information from Topgolf Callaway Brands Corp., that website will forward your information to us so that we may contact you. We may also supplement the information we collect with outside records from third parties – such as public databases, publicly available social media pages, joint marketing partners, and third parties who enhance the information we have about you for various purposes, such as to provide you with information, services, or products, to tailor our content and the offers we show you, or to enhance our products and services. We may combine the information we receive from third parties with information we collect through the Sites. In those cases, we will apply this Privacy Policy to the combined information. The information collected and stored by the third party is subject solely to the third party's privacy practices.

Social Media Interactions

The Sites may permit or facilitate interactions with an interactive third-party website or service ("**Social Media**"), such as

enabling you to "like" or "share" content. If you choose to share content or otherwise post information from or via the Sites to Social Media, that information may be public, and the third party may have access to information about you and your use of our Sites. You may also choose to participate on Social Media in a way that connects that third-party service with our Sites (such as posting to one of our pages on a Social Media site or signing into the Sites with your credentials from another website or service). Doing so may allow us to collect (or the third party to share) information about you. These third-party Social Media platforms may be able to collect certain information about your visits to the Properties regardless of whether or not you affirmatively interact with the feature and whether or not you are logged into (or have) an account with the third-party platform.

We may also receive information about you if other users of Social Media give us access to their profiles and you are one of their connections or "friends". The information we collect is subject to this Privacy Policy. The information collected and stored by the third party remains subject to the third party's privacy practices, including, without limitation, whether the third party continues to share information with us, the types of information shared, and your choices with regard to what is visible to others on that third-party website or service. The third party may allow you to remove the application or feature, in which case we will no longer collect information about you through the application or feature, but may retain the information previously collected.

Please note that we may utilize a careers portal that is operated by a third party, in which case your use of the careers portal will be subject to the third party's privacy practices as disclosed on the portal, and not to this policy.

Business Transfers. In the event Topgolf Callaway Brands Corp. goes through a transition such as being sold, has all or a portion of its assets acquired or transferred, whether voluntary or involuntary (such as through bankruptcy), or merges or becomes affiliated with any other division, individual or entity (including, without limitation, during the course of any due diligence process), any customer information owned or under the control of Topgolf Callaway Brands Corp. will likely be one of the transferred assets. We reserve the right, as part of this type of transaction, to assign or otherwise transfer your information and other information we have collected from users of the Sites. By providing your personal information, you agree that we may transfer such information to the acquiring entity without your further consent. For example, if part of our business was sold, we may give our customer list as part of that transaction. ONLINE ADVERTISING AND ANALYTICS PROVIDERS AND SIMILAR THIRD PARTIES

BELOW WE PROVIDE A BRIEF OVERVIEW OF OUR THIRD-PARTY ADVERTISING AND ANALYTICS PRACTICES. FOR A FULL DESCRIPTION AND TO LEARN MORE ABOUT HOW WE SHARE YOUR INFORMATION FOR THESE PURPOSES, PLEASE READ OUR AD AND COOKIE POLICY.

We work with a variety of third-party business partners, such as network advertisers, ad agencies, and other advertising partners to serve Topgolf Callaway Brands Corp. ads online and through our Sites. We and these third parties use information we have learned about you to target ads to you. We also use analytics providers to provide us with information regarding the use of Topgolf Callaway Brands Corp. Sites and the effectiveness of our advertisements. These third parties may set and access their own tracking technologies on your device (including cookies and web beacons) and they may otherwise collect or have access to information about you, some of which may be personal information under various state laws. We and our third-party advertising and analytics providers may collect personal information over time when you visit the Sites or other online websites and services. We may share information, typically information that has been hashed or otherwise de-identified (including hashed email addresses), Usage Information, and location information, with third party advertising companies, analytics providers and other third parties for the purpose of serving you more relevant ads on and off the Sites.

We use Google Analytics, which uses cookies and similar technologies to collect and analyze information about use of the Sites and report on activities and trends. This service may also collect information regarding the use of other websites, apps, and online services. You can learn about Google's practices by going to google.com/policies/privacy/partners, and opt out of them by downloading the Google Analytics opt-out browser add-on, available at tools.google.com/dlpage/gaoptout.

Some of these third-party advertising and analytics providers are members of the Network Advertising Initiative ("NAI") or the Digital Advertising Alliance ("DAA") Self-Regulatory Program for Online Behavioral Advertising. You may want to visit http://www.networkadvertising.org/managing/opt_out.asp, which provides information regarding targeted advertising and "opt-out" procedures of NAI members. You may also want to visit <http://www.aboutads.info/choices/>, which provides information regarding targeted advertising and offers an "opt-out" by participating companies in the DAA Self-Regulatory Program. To learn more about interest-based advertisements from participating third parties in jurisdictions outside of the United States, please visit the Canadian DAA online choice page at <http://youradchoices.ca/choices/> and the European DAA online choice page at <http://youronlinechoices.eu/>.

For mobile applications, you may be able to limit certain advertising practices using the settings on your phone, tablet, or other mobile device. Also, on most mobile devices, you can install the DAA's AppChoices app to make choices about cross-app interest-based advertisements from participating third parties. You may review additional information on opting out of mobile devices at <https://www.networkadvertising.org/mobile-choice/>.

If you are a California resident, please see our "**California Privacy Notice**" regarding additional rights you have, including how to exercise your "Do Not Sell" right.

Please note that opting out through these mechanisms does not opt you out of being served advertising. You will continue to receive generic ads while online.

OUR "DO NOT TRACK" POLICY

Some browsers have "Do Not Track" features that allow you to tell a website not to track you. These features are not all uniform and there is no consensus as to what "Do Not Track" means in this context. Topgolf Callaway Brands Corp. uses commercially reasonable efforts to detect and process "Do Not Track" signals, but may not respond to "Do Not Track" signals except as specifically required by law. To find out more about "Do Not Track", please visit www.allaboutdnt.com.

If you want to opt out of having your information shared with unaffiliated third parties for their own marketing purposes, please email us at webmaster@tcbrands.com.
